## Stepping Stones to Fortune

For two years we have been urging our clients to invest in good California Oil Companies. Many have followed our advice and have made large profits on their investments. Our investments are absolutely safe and extremely profitable.

After our usual careful investigation, we advise the purchase of shares in the VENTURA OIL DEVELOPMENT CO. Like all new companies, the stock of the Ventura Oil Development Co. is now offered at the low price of 15 cents per share. As ITS HOLDINGS comprise A FULL SQUARE MILE OF LAND in the heart of the Ventura Oil district, this company has a great future.

It is a SOUND BUSINESS ENTERPRISE with an economical management; no preferred stock, no bonded indebtedness; no promotion stock, and, last of all, we have the goods to sell.

If you invest your money in this company, you are sure of making large profits. Remember, the price is only 15 CENTS PER SHARE. Buy now. This is YOUR OPPORTUNITY for making large profits.

## THE OIL BOOK

## On California Oil An Authority

Free To  
You Upon  
Request

A weekly publication—to the well informed, a convenience; to the seekers for information, indispensable.

The special articles cover a wide range of subjects that, in view of the growth and importance of California's leading industry, are of interest to every one.

Within the past few weeks these special articles by well-known writers embrace the following:

The Kera River Field; A Gigantic Oil Development Enterprise; California's Greatest Asset; Gasoline, Past and Present; California's Position in the Oil World; The Drilling of an Oil Well; Oil and Gold; The Uses of Crude Oil and Its Products; California's Greatest Industry; The Ventura County Field; Marvellous Midway; The Investment Idea; Consumption vs. Production; The Templer Country; How the Independent Producers Brought Their Oil to Tidewater, and others. Add to these the many other articles, all handsomely illustrated: the Weekly Market Letter, scores of items of news about different oil companies, the monthly dividend statement of all the listed oil companies and the hundred and one things dealing with the oil industry each week, and you get some idea of the scope of this publication.

Its value can best be determined by the fact of its tremendous circulation—the largest circulation of any publication devoted to the oil industry. It gathers the news from the oil fields, hundreds of miles apart, and lays it all before you each week.

Read The Oil Book and you will get new ideas about the oil industry, the greatest single factor in the prosperity of the Golden State. Send for it today. Back numbers on file if you wish any special article. Your name and address on the coupon will bring it to you.
